#### Local Green Building Council

WorldGBC would like to notify the most relevant Green Building Council that you have signed up to the Commitment, so that they may reach out to provide further information on where they can provide assistance.

Please provide the country where the largest portion of your assets are based:

## Eligibility Requirements

Please tick ALL streams that apply to you:

<b>Owner</b>  Commit to <b>owning</b> only assets that are net zero carbon in operation by 2030	<b>Tenant</b>  Commit to <b>occupying</b> only assets that are net zero carbon in operation by 2030	<b>Developer</b>  Commit to <b>developing</b> only assets that are net zero carbon in operation by 2030
---	---	---

### Which type of entity is signing up? (refer to Detailed Guidance)

1. The Commitment is aimed at accelerating the transition to a decarbonised built environment, this means all buildings within the organisations' direct control are to be included in their portfolio and actioned as per the relevant stream to achieve net zero carbon by 2030.

**Yes      No**

Does your organisation commit to this action?

2. The Commitment is unique at positioning energy efficiency of buildings as a core component to delivering decarbonisation of buildings. Whilst the Commitment does not set specific performance requirements, signatories are required to determine and implement an action roadmap that reduces the energy demand of buildings AND eliminate carbon emissions.

**Yes      No**

Does your organisation commit to this action?

3. As a signatory of WorldGBC's Net Zero Carbon Buildings Commitment, my organisation acknowledges the disclosure, verification and reporting requirements outlined in the accompanying Detailed Guidance document:

**Yes      No**

4. Which of the following criteria does your organisation meet to demonstrate eligibility for pursuing the Net Zero Carbon Buildings Commitment pathway of EP100?

- |   |  |
|---|--|
| International presence to drive wider market uptake       | Significant capacity to influence the built environment      |
| Large contribution of carbon emissions relevant to sector | High potential for advocacy through core business activities |
| Significant presence in country / region                  |  |

5. Please detail how your organisation demonstrates an equivalent level of ambition and impact (in particular in regards to advocacy) as the climate leadership required of this Commitment:

**EP100/RE100**

Is your Business:

Registered as a member of EP100?

**Yes      No**

Registered as a member of RE100?

**Yes      No**

## Signatory Information

Number of Buildings (assets) within Portfolio:

Total Area (m<sup>2</sup>) of Buildings within Portfolio:

Number of Employees:

Annual Turnover (US\$):

Current Portfolio Carbon Emissions (tCO<sub>2</sub>e)\*:

Industry Sector^:

Number of Countries Operating In:

**Please list or provide link to these countries:**

Please list other relevant facts to showcase the impact of your commitment, ie number of buildings built and/or designed a year / number and/or impact of energy efficient products produced etc:
